

## Ford Transit Van Business Minibus Vehicle 4×2 7 Seat -9 Seat

Our Product Introduction

for more products please visit us on [vehicle-automobile.com](http://vehicle-automobile.com)

### Basic Information

- Place of Origin: China
- Brand Name: Transit
- Model Number: Ford Transit 7-9-seat gasoline/diesel front-wheel drive business transportation bus 4×2 manual transmission/automatic transmission
- Minimum Order Quantity: 1 vehicle
- Price: \$30,000-\$40,000Dollar
- Packaging Details: Complete vehicle
- Delivery Time: 5-8 work days
- Payment Terms: T/T
- Supply Ability: 1000 vehicle

### Product Specification

- Engine Type: Diesel/Petrol/Electric
- Exterior Features: Alloy Wheels, Fog Lights, Etc.
- Interior Features: Air Conditioning, Radio, Etc.
- Seating Capacity: 9 People
- Transmission Type: Manual/Automatic
- Vehicle Type: Minibus
- Highlight: Ford Transit Van Business Minibus, Ford Business Minibus Vehicle, 9 Seat Ford Transit Van

### Product Description

Ford Transit 7-9-seat gasoline/diesel front-wheel drive business transportation bus 4×2 manual transmission/automatic tr

Small passenger vans, also known as mini buses or mini vans, are compact vehicles designed to transport a limited number of passengers. Here is a description of small passenger vans:

**Size and seating capacity:** Small passenger vans typically have a compact body size, making them maneuverable and suitable for urban driving. They generally have a seating capacity ranging from 8 to 15 passengers, depending on the specific model and configuration.

**Versatility and flexibility:** Small passenger vans are known for their versatility and flexibility in terms of usage. They can be used for various purposes, such as airport shuttle services, hotel transfers, corporate transportation, and even as private transportation for small groups or families.

**Interior design and comfort:** The interior of small passenger vans is designed to provide comfortable seating for passengers. The seats are typically arranged in multiple rows, with sufficient legroom and headroom. Some models may offer adjustable seats for added comfort. Additionally, these vans may be equipped with air conditioning systems to ensure a pleasant travel experience.

**Safety features:** Safety is an important consideration in small passenger vans. They are equipped with safety features such as seat belts for all passengers, airbags, anti-lock braking systems (ABS), and stability control to enhance the safety of passengers during travel.

**Luggage capacity:** While small passenger vans prioritize passenger seating, they also offer some luggage storage space. The vans may have overhead compartments or rear cargo areas to accommodate a reasonable amount of luggage or belongings.

**Fuel efficiency:** Many small passenger vans are designed to be fuel-efficient, using engines that prioritize economical fuel consumption. This makes them cost-effective options for transportation, especially for short to medium-distance trips.

Vehicle technical parameters

1	Car body dimensions (length × width × height) mm:	5431×1896×2390
2	engine manufacturer	Jiangling Motors Co., Ltd.
	Vehicle manufacturer	Jiangling Motors Co., Ltd.
3	Wheelbase mm:	3300
4	Vehicle fully loaded total mass kg:	3510
5	Vehicle curb weight kg:	2380
6	suspension system	Front suspension MacPherson independent suspension,
7	Approach / departure angle	Rear suspension leaf spring non-independent suspension
8	Front overhang/rear overhang mm	19/12
9	Axle load	1014/1027(mm)
10	Number of axes	1570/1940
11	Fuel consumption	2
12	Number of spring leaves	10.3
13	Number of tires	-/3
14	Front wheelbase/rear wheelbase	6
15	Steering Type	1736/1720
16	Minimum ground clearance mm:	steering wheel
17	Minimum turning radius m:	187
18	Fuel type:	6.45
19	Fuel tank volume (L):	gasoline
20	engine model	80
21	Way of working:	ECOBOOST4G20E6L
22	Exhaust volume ml:	L in-line, four-cylinder, direct injection, 16 valves
23	Rated power kw(hp)/rpm:	1997
24	Maximum torque Nm/rpm:	162/3250
25	Emission Standards:	395/1500-2500
26	Drive mode	National VI
26	transmission:	Front wheel drive
28	Top speed km/h:	5 speed manual transmission
29	Tire specifications and models	150, 100
30	Braking System	215/75R16C
31	Environmental protection standards	front disk rear disk
32	Rated passenger capacity (including driver)	GB17691-2005 (National VI)
<b>Main vehicle configuration</b>		
33	All-metal enclosed load-bearing body, the exterior color of the car is white
