

## Multifunctional 4×2 Truck Diesel 8 Seats 4 Wheel Drive 2 Ton Truck

Our Product Introduction

for more products please visit us on [vehicle-automobile.com](http://vehicle-automobile.com)

### Basic Information

- Place of Origin: China
- Brand Name: Fushunt
- Model Number: Multifunctional diesel two-wheel drive front and rear drive 4×2 truck with 8 seats
- Minimum Order Quantity: 1 vehicle
- Price: \$30,000-\$40,000Dollar
- Packaging Details: Complete vehicle
- Delivery Time: 5-8 work days
- Supply Ability: 1000 vehicle

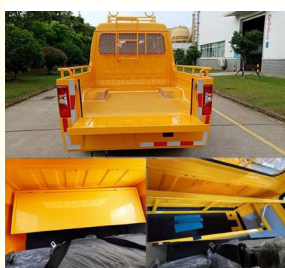

### Product Specification

- Brand: Heavy Truck
- Interior: Comfortable
- Model: Vehicle
- Safety: High
- Tires: Heavy-duty
- Transmission: Automatic
- Weight: Heavy
- Highlight: Multifunctional 4×2 Truck, 4×2 Truck Diesel, 4 Wheel Drive 2 Ton Truck

## Product Description

Multifunctional diesel two-wheel drive front and rear drive 4×2 truck with 8 seats

A small multi-functional cargo van is a compact commercial vehicle designed for goods transportation and logistics operations in urban environments. It offers various functionalities and flexibility to meet different industries' transportation requirements.

Small multi-functional cargo vans typically feature a compact body design to navigate busy city streets and narrow alleys. They have small dimensions, making them easy to drive and park, while also providing maneuverability in congested traffic.

These types of vans often come with adjustable cargo storage and handling systems, such as cargo compartments, pallets, and folding shelves, to accommodate different sizes and shapes of cargo. The interior of the van is usually equipped with fixed or foldable seats to provide additional passenger space or office space for conducting necessary work during transportation.

Furthermore, small multi-functional cargo vans can be customized according to specific user needs for various specialized purposes. For example, they can be fitted with refrigeration units for transporting perishable goods or items requiring low temperatures. They can also be equipped with cargo lifting devices for convenient loading and unloading of heavy items. Additionally, cargo tracking and security systems can be installed as per requirements to ensure the safety and traceability of goods.

Small multi-functional cargo vans typically come with fuel-efficient engines to reduce fuel consumption and environmental emissions. Some modern vans may even utilize electric or hybrid powertrain systems for more eco-friendly transportation.

In summary, a small multi-functional cargo van is a versatile commercial vehicle suitable for urban goods delivery, logistics transportation, and various business purposes. They combine compact size, flexible cargo storage and handling systems, and customizable functionalities to provide efficient, convenient, and reliable transportation solutions for users.

Vehicle technical parameters		
1	Body size mm:	5930×1900×2380 (length×width×height)
2	engine manufacturer	Jiangling Motors Co., Ltd.
3	Wheelbase mm:	3360
4	Vehicle fully loaded total mass kg:	4495
5	Vehicle curb weight kg:	2650
6	suspension system	The front suspension is non-independent suspension,
7	Approach / departure angle	Rear suspension leaf spring non-independent suspension
8	Front overhang/rear overhang mm	20/19(°)
9	Axle load	1075/1495(mm)
10	Number of axes	1725/2770
11	Fuel consumption	2
12	Number of spring leaves	13
13	Number of tires	4/4 4
14	Front wheelbase/rear wheelbase	6
15	Steering Type	1370/1425
16	Minimum ground clearance mm:	steering wheel
17	Minimum turning radius m:	twenty four
18	Fuel type:	6.45
19	Fuel tank volume (L):	diesel fuel
20	engine model	68
21	Way of working:	JX493ZLQ6D
22	Exhaust volume ml:	L in-line, four-cylinder, direct injection,
23	Rated power kw(hp)/rpm:	2499
24	Maximum torque Nm/rpm:	90/3050
25	Emission Standards:	305/1500-2500
26	Drive mode	National VI
26	transmission:	mid-mounted rear drive
28	Top speed km/h:	5 speed manual transmission
29	Tire specifications and models	100
30	Braking System	7.00R16LT 8PR, 7.00R16LT 10PR
31	Environmental protection standards	Front disc and rear drum
32	Rated passenger capacity (including driver)	GB17691-2018 Country VI

Main vehicle configuration	
33	All-metal load-bearing body,
34	ABS
35	manual rear view mirror
36	Simple backup tool
37	central locking
38	cloth seats
39	The whole car is made of steel wheels, and the full-size steel spare tire
40	Front electric doors and windows
41	Cab multifunctional storage box
42	Original cab heating and cooling system
43	4-way driver's seat adjustment
44	gray interior
45	Cab multifunctional storage box
46	Full car seat belt
47	steel wheels
48	A fire extinguisher
49	luggage rack
50	Single opening flip-down tailgate
51	Iron rear window protective net
