

Automatic Transmission Geely E8 Pure Electric Coupe 5 Seat

Our Product Introduction

for more products please visit us on vehicle-automobile.com

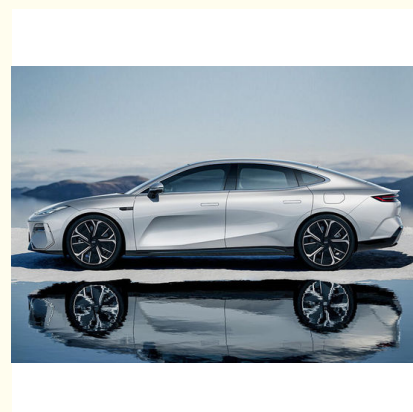

Basic Information

- Place of Origin: China
- Brand Name: Geely
- Model Number: Geely E8 pure electric coupe 5-seat automatic transmission
- Minimum Order Quantity: 1 vehicle
- Price: \$30,000-\$40,000Dollar
- Packaging Details: Complete vehicle
- Delivery Time: 5-8 work days
- Payment Terms: T/T
- Supply Ability: 1000 vehicle

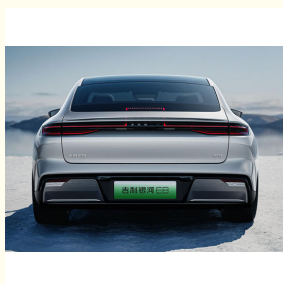

Product Specification

- Air Conditioning: Yes
- Availability: In Stock/custom Order
- Brakes: Disc/drum
- Capacity: 5 Passengers
- Engine: Diesel
- Interior: Cloth/leather
- Steering: Power-assisted
- Suspension: Independent
- Transmission: Manual/automatic
- Type: Minibus Vehicle
- Highlight: **Geely E8 Pure Electric Coupe, Automatic Transmission Geely E8, 5 Seat Geely E8**

Product Description

Geely E8 pure electric coupe 5-seat automatic transmission

1. The Geely Galaxy E8, the first pure electric sedan in the Galaxy series, will be equipped with a 45-inch 8K display. The interior of the new car will adopt a very simple design. Only a 45-inch 8K screen is retained above the center console. Officials say that the effective display area size of this screen reaches 1130mm*138mm, its black borders are 8mm, and the screen-to-body ratio reaches 98 %, the thickness is 9.8mm. In addition, in P mode, it also supports direct connection of mobile phones or controllers to play games.
2. Geely Galaxy E8 will also be equipped with a new generation of Qualcomm Snapdragon 8295 flagship cockpit chip and a new car-machine system. Judging from the pictures, the car will also provide a half-spoke steering wheel, and only a few buttons and knobs are retained on the central island.
3. The front apron introduces a folded line design, which, combined with the sharp headlight shape, brings aggressiveness. Viewed from the side, the car's stance is close to that of a coupe, with a very smooth roofline. The length, width and height of the new car are 5010/1920/1465mm respectively, and the wheelbase is 2925mm.
4. It will have a relatively rich range of options, including lidar, various sensors, front bumpers, rear wings, etc. In terms of power, this model is equipped with an electric motor from Vair Electric Vehicle Technology (Ningbo) Co., Ltd. with a maximum power of 200 kilowatts.

Vehicle technical parameters

1	Car body dimensions (length × width × height) mm:	5010×1920×1465
2	Motor manufacturer	Geely Automobile Manufacturing Co., Ltd.
3	Wheelbase mm:	2925
4	Vehicle fully loaded total mass kg:	2440
5	Vehicle curb weight kg:	2030
6	suspension system	Front suspension MacPherson independent suspension,
7	Approach / departure angle	Rear multi-link independent suspension
8	Front overhang/rear overhang mm	13/15
9	Axle load	1014/1027(mm)
10	Number of axes	1570/1940
11	Fuel consumption	2
12	NEDC pure electric cruising range	10.3
13	Number of tires	500km
14	Front wheelbase/rear wheelbase	4
15	Steering Type	1546/1551
16	Minimum ground clearance mm:	steering wheel
17	Battery Type	130
18	Fuel type:	Lithium iron phosphate battery
19	Battery energy:	pure electricity
20	engine model	75kWh
21	Motor type	single motor
22	Total motor torque	Permanent magnet/synchronous
23	Motor rated power kw:	300(N.m)
24	Maximum torque Nm/rpm:	200
25	Emission Standards:	197
26	Drive mode	National VI
26	transmission:	Front wheel drive
28	Top speed km/h:	automatic transmission
29	Tire specifications and models	170
30	Braking System	235/50R18
31	Environmental protection standards	front disk rear disk
32	Rated passenger capacity (including driver)	GB17691-2005 (National VI)

Main vehicle configuration

33	All-metal enclosed load-bearing body, the exterior color of the car is white
34	ABS8.0+EBD,
35	Electric rearview mirror
36	black halogen headlights

37	middle gate
38	front air conditioner
39	central locking
40	Visual reversing
41	aluminum alloy wheels,
42	Full vehicle electric doors and windows
43	Driver's seat (main) airbag
44	remote key
45	45-inch touch LCD screen
46	8 speakers
47	Body metallic paint
48	high mounted brake light
49	Cab multifunctional storage box
50	Full car seat belt
51	Adjustable seat back
52	Electronic parking
53	Tire pressure display
54	Simple backup tool
